

June 2024 Atlanta Universal Salvation Conference ...
Contact Information

My name is Christopher Johnston. I am the main coordinator of the 2024 Universal Salvation conference. I know this may seem like a lot of information but I promise it is not as complicated as it looks. The dates are Friday May 31, Saturday June 1 and Sunday June 2 until around 12 noon on Sunday. It is being held in Stone Mountain, Georgia near Atlanta inside stone mountain park. The address to **Stone Mountain Park** is 1000 Robert E Lee Blvd, Stone Mountain, Georgia 30083.

The **Evergreen Resort** address is 4021 Lakeview Dr. Stone Mountain GA. Please keep alert on Facebook or on the emailing list you are on for announcements because many will be made as time goes on.

Because the conference is being reserved so early so minor details can be announced as time goes on however the hotel rates are in the contract and they will not change. This is an update from an earlier message because originally the conference was going to be at the Stone Mountain Inn which is also in the park but the coordinators and I felt that we needed to move it, but this results in having the same low rates as the inn but with the upgraded hotel.

The conference will be in the Evergreen Resort. There is a Stone Mountain Inn but the conference will be at the Evergreen. The resort has two restaurants and a bar in it, and there are also restaurants throughout the park. The workers at the gate can direct you but if you go through the main gate and not the side entrance you will go straight to the end of the road. It will fork to the left and right and you will go left and the inn will be on your left. Check in is at 4pm but feel free to get there early to fellowship before check in.

The hotel rate include tax and everything is \$203.36 per night. Since the conference is Friday and Saturday, and we leave Sunday, two night will need to be reserved. April 17 2024 is the last day the rooms are reserved for us but if you reserve after that date there may be a room available only if others have not taken up all the room.

Here is the link to reserve the hotel room

There is a 4 dollar per day parking fee per vehicle however as a gift that will be covered for you so you do not have to pay. You will get the sticker on your vehicle at the hotel. When RSVP please let me know how many vehicles will be in your group. For example if you are three people ride in one vehicle that is one. If you use an Uber or Lyft the number of vehicles is 0. You will need to announce to gate to the park there you are there for the conference. Very important if you not staying at the hotel the parking pass for each car is 20 per day that you will have to pay. That is 60 for the event but an annual pass is 40 dollars. There also not be discounts on the sky ride and light show if you stay outside the park. I strongly advise that you stay at the stone mountain inn for the conference.

On Friday May 31 there will be a meet and greet on top of the mountain. Although you will be able to hike it is not required. There is a sky ride that can take you to the top.

There will be discounted pricing for the sky ride but the details will be announced as the information becomes available. Around 3:00 to 8:00 pm we will head down to the bottom to get to a laser show of light fun and music. The show generally starts around 9:30 pm, so the time in between there will be more fellowship. The

event is outside so a lawn chair or towel to sit on will be helpful. These plans may change if there is rain in the forecast which we will re plan that week based on the weather. The sky ride, laser show area, and pizza and wings restaurant, as well as a souvenir shop, which you may want to get stuff at. There is a shuttle from the hotel to the attractions to those who do not have a car. The conference room for Saturday is in the hotel where there is catering and the restaurants. The hotel does have a swimming pool. The park is big, with other areas, but that is unrelated to the overall events on Friday night.

Saturday and Sunday are for teaching and more fellowship.

There will be food provided Saturday morning and probably Sunday morning. When RSVP please let us know about any allergies and special request such as gluten free. There is a wings and pizza restaurant at the bottom of the mountain that you go to on Friday night. There also food at the top of the mountain but I recommend getting your main food at the bottom before going up.

On Saturday for lunch and dinner we will travel together for food at restaurants within the park. A 40 dollar donation to help with food catering would be helpful but if you cannot do \$40 it is ok. if you cannot afford the \$40 than still come. any amount extra will be used for the event. Also no amount is small or to big. You can pay pal that at christopher.johnston12@gmail.com or cash app \$chrispj777.

If you are flying in you can take the Marta train to Five Points, Then take the blue line north to the Kensington Station. From there you take a short Uber or Lyft to the park. The park may charge a 5 dollar pick up or drop of fee for the driver. The train ride is under 5 dollars so taking the Marta train may be easier than getting a ride all the way from the airport. The Kensington Station is the second to the last stop. If you accidentally miss it you will be at the Indian Creek station which is still very close to the park and you can get a ride from there.

If you have any questions please email me at

christopher.johnston12@gmail.com

and also put in the send box

deborah.johnston2006@gmail.com

put both our emails in the send box and one of us will get back to you.
